The program

Thank you for your interest in being part of the volcano family. We hope you had an unforgettable time, filled with joy and the best moments. Volcan Acatenango is a good challenge for the average person and we are proud of everyone that undertakes this adventure. We aim to be able to help you in each and every step of the way up to summit. Even to help you after having done business together. The ambassador program we have created aims to give the hikers the opportunity to make some money back. Word of mouth from one traveler to the other can be a very powerful tool for all of us to keep spreading the word and business. In this program we ask you to be honest and clear to your fellow travelers about our hike. Tell them about how you experienced the hike and your own recommendations. We ask people to visit other agencies because we are confident that our offer is the best deal in town all around.

What discount they get

The hikers you refer will have two options to get a discount. They either get a 5% discount upon booking online through our website

(www.wichoandcharlies.com) or they get a 8% Q35 of the price if they pay in cash at the agency.

They need to present the discount upon checkout online or to tell the sales rep at the store to apply the discount upon making the sale.

IMPORTANT: Upon ONLINE check out where they add the amount of hikers, they have to apply the discount where it says "Do you have a discount?". If they apply it to the section with "Do you have a voucher?" It will not work.

The discounts can be applied for Acatenango and Pacaya hikes. It doesn't apply on gear rentals or other products and services. If they book through a hostel or other 3rd party service, the coupon can't be used.

Key pointers about behind the scenes.

1) Our basecamp is the only basecamp that is a safe shelter in case of a large eruption like the one in 2018. We worked hard to build this structures in other to feel at ease knowing our hikers are not in danger by eruptions or extreme weather. Tent's are a nice, but when it comes to camping on active volcanoes; you want to keep it as safe as possible.

2) Our help, we are constantly looking for ways to help the community of La Soledad or El Hato. For every review on our Tripadvisor page, we will donate \$3 to the community. Besides the community, we help feed Santuario Vida Animal, a dog shelter with over 500 dogs and cats. They are in extreme need, so any other donation that wants to be sent to them is welcomed. Lastly the environment, which we believe needs a lot of help. The closest and most accurate way of helping the environment is by providing the most conscious meals that still pack the nutrients you need. All our food is vegan and mostly gluten free. Although gluten free requires a few extra changes, but is possible for additional Q20.

Thank you!

Thank you for trusting for your Acatenango hike. We hope we were able to deliver a once in a lifetime experience. Memories that will live forever with each one of you. The team in Antigua, the guides, guards, drivers and cooks appreciate the opportunity to be of service.
